PROCLAMATION.

A year of general peace and prosperity is drawing to close. During this period our young State has steadily advanced in her rapid career towards wealth and greatment. New arenues of trade and intercommunication tories. have been opened, and a forsh impetus given to all departments of industry. Labor in all its legitimate spheres of exercise, has been bountifully rewarded. A generous harvest has filled the land with plenty, while health and happiness have prevailed within our borders, id the enjoyment of these temporal blessis gs, we should not be unmindful of the gracious Giver of all good gifes, the diolit exhibitions of whose favor and guardian care muet us on every hand, and, that we may express our the 20th day of November next, to be observed as a day of Public Thanks giving and Praise throughout the State, Intestimony whereof, I have because subscribed my name and conved the Great Seal of the State of [L. Pramylvania and Indiama. It is now certain that if the Republicans work as they may, and plant themselves on their own principles, and rely on the justice of their cause, and relax no effort till the closing Buchanan. of the polls, that the electoral votes of Penus avivania and Indiana can be secured to Freedom.

The Pittsburgh Dispatch of Wednesday, 22d, gives the official returns for 56 counties, and the reported vote for the remaining eight counties, which gives the Buchanan Canal Commissioner a majority of 2.102. The Pannsulvana an makes it 2,377. The telegraph from Hars risburgh, yesterday, gives the official roturns from all the counties except Elk and McKean, making the Buchanan majority 3 699 Elk Co. is reputed at 200 and 100 majority for Buchauan, and McKenn Co. at 200 and 190 for Fres mont. It will not go of it-by the Hunkers, to start it, and of course, above this, and may not be 3,000. And when it it supports the Border Ruffian cause. It is a well above this, and may not be 3,000. Editors, give us the returns at an earlier day in November .- Pattaburgh Disputch:

We have the same fault to find with the country press in this State. We have been disapppointed a great many times, in receiving some of our country exchanges, printed several days after election, and containing inot even the vote of its own town or county. Will country editors see to it that their papers contain all the returns they can possibly procure up to the hour of publication. By so doing they will enable both their readers and the city press, to ascertain the result, in the various localities, and on the various tickets, much quicker than usual. Please bear this sugges tion in mind, and act accordingly.

DEAD HEADING -One of the most adroit performances of the great Sponge family which w have ever read of, was successfully gone through by one of its members a few days since in the northern part of New York State. It is a Watertown paper which relates the followthe window, breaking the glass into a hundred ing story :

"A man wishing to 'deadhead' his passage o' er the Watertown and Rome Railroad, passer through the care to the platform of the last ie, climbed upon the top of the ear, where be very coully took a seat. The conductor saw the man go to the hind platform, but did not perficularly notice him. When he got through ellecting fare, he looked out on the platform but no may was there. In the case of Spencer Stone, vs. W. N. HARPER FOR NOVEMBER; GODEY'S Lanon, the jury returned a verdiet of not

guilty. The next case was that of Chas. I. Kane, vs. D. Ferguson, to recover \$500, deposited with Mr. F., as a wager on the last election,

The Sentinel cays it appears that Mr. Kane bet Mr. Crocker \$500 that Baratow would rezeive a majority of the legal votes for Govern. or of Wisconsin. When the Supreme Court pronounced their decision, ousting Baretow, and putting in Bashford, the stake holder paid over the \$1,000 to Mr. Crocker, receiving a bond of idomuity from the latter. Mr Kane now sues to recover the amount staked by him. It seems that sundry prominent Barstow politicians in our city, were interested with Mr. Cane in the bet. Mr. Peter Yates conducted the case for the prosecution, and Mr. James S. Brown for the defence. The latter in his opening administered a scorching rebuke to the parties presecuting, for his shabby way of avoiding the payment of a bet fairly made and
